Special Rainbow Events

Hope Assembly will be hosting a membership open house on **Wednesday, Sept 11** beginning at 7pm at South Seminole Lodge. We will have information available on Rainbow, the Pledge program for younger girls, our Assembly Service and Charity projects, and our Statewide Service project, Camp Boggy Creek. We will also be presenting information on fundraising and, of course, all the fun we have! Please bring out any young ladies you may know from the ages of 8 to 20 who might be interested in joining our amazing Masonic family. This would also be a great opportunity for adults who might be interested in joining our group of active adult workers to come out and get to know the girls and what we are all about. Hope to see you there.

Hope 82 will have the honor of hosting the Zone Imitation/Official Visit of the **Grand Worthy Advisor on September 21 at 1pm** at South Seminole Lodge. Come out and watch as our own Rachel McClure and Kaylin Phelps try out for next year's state office positions during the initiation and then stay for the fun of the GWA's Classic Hollywood Official Visit.

From The West

South Seminole is continuing to grow and prosper in many ways. We must continue to be vigilant in our Masonic Education and membership efforts. It is vital to our future that we work to involve our newer Brothers in all Lodge activities. The Lodge is what the members make of it. Contribute and participate as often as you can....and don't let physical limitations stop you. Your wisdom and experience are very valuable to your Brothers..mentor, education, instruct. It all helps SSL grow !

Wor. Skip Yonchik, Senior Warden

From The Secretary's Desk

The time has come to implement Electronic Trestle Board distribution. Increases in mailing and printing fees mean that the current paper newsletter costs the Lodge over \$600 per year. This is money that could be better spent on our charity projects and Lodge operations. It also allows for expanded Trestle Board content. No one will be denied a paper copy if they need it...but please help your Lodge by providing your current email address for the electronic version.

News of the Lodge

DOWNTOWN CASSELBERRY IS MOVING AHEAD

The City Manager and development architects met with the building committee at SSL to present the concept site plan and elevation drawings for the new project that will be built on the vacant land in front of our Lodge. The drawings are in the dining room and Wor. Bill Ellis will explain fully at the next stated meeting. Be of good cheer...the project will increase the value and community exposure of South Seminole Lodge...no "big box" store in our faces, just residential, restaurants, shops, parks !

News of Our Youth

Congratulations to our newest Master Counselor Alex Ghiglieri. Christian Campana-Emard will also be a fine addition as District Deputy. SSL Demolay is off to a great start...the initiation ceremony for the new officers was very professional and impressive. Congratulations to all the young men who received significant achievement bars and awards. SSL Masons Cruz and Yonchik were also very surprised and proud to receive medals of honor for service to the Chapter.

Masonic Education and Advancement

On 8/24, in Leesburg, there will be a Masonic Ed and Masonic Leadership event. This will count for several of our annual education requirements at one time. We should plan to take a large group. A full schedule of trainings will be sent with the email version of this Trestle Board.

Joshua Franko, David Goldmacher, Jeff Gerlitz, Glynn Raspberry, James Strawser are all on plan to return their EA proficiencies on August 20. Tony Edwards, Logan Cody, and Chad Oeamke will be raised to Master Mason on August 27

A committee has been established for the purpose of further Mentoring new Brothers and getting our EAs, FCs and Master Masons more involved in Masonic Education and Lodge projects/activities/fundraisers. The committee will present their initial ideas and progress at the next Stated Communication on August 20

Lodge Charity

With the start of a new school our Lodge charity, the Casselberry Care Cabin, will be back in full operation. Our Masonic Youth has spent the summer raising money and collecting food for this noble cause in our community. We encourage all Brothers to visit this facility and see how the amazing work...and the amount of true need in our own back yard...no child will go hungry in Casselberry while South Seminole Masons draw breath !
